

**ERRATA SHEET FOR ANSI/NFRC 200-2014:  
Procedure for Determining Fenestration Product Solar Heat Gain Coefficient  
and Visible Transmittance at Normal Incidence**

**October 21, 2015**

When a typographical error, misprint, misspellings, grammatical error, or other error occurs in an ANSI-reviewed NFRC Standard, those errors will be listed here.

The corrections listed in this errata sheet apply to ANSI/NFRC 200-2014. These changes will be incorporated into the standard at the next public review.
