Dear NFRC Approved Calculation Entities (ACE),

This memo announces the 2016 Calculation Entity Approval Program (CEAP) Workshop scheduled for Wednesday, December 14, 2016 from 3:00 – 5:00 p.m. EST.

Who is this workshop for?

This workshop is for those ACEs who have passed their ACE take home exam and are approved as ACEs.

Why is this important to the ACE?

The NFRC 708, Section 4.3.2.2, requires an ACE to attend this workshop twice every three years to maintain their ACE credentials. There was no workshop in 2015 so this means that each individual who is an ACE ***should*** attend this 2016 workshop.

Where can the ACE register for this online workshop?
