August 7, 2015

Document Ballots Available for Review ([What is a Document Ballot?](#))

The National Fenestration Rating Council (NFRC) committees and subcommittees have prepared seven ballots for membership review, vote, and comment. NFRC encourages members to participate by reviewing the documents and voting forms on its community site and submitting their feedback.

Three jcommittees are represented in this ballot cycle, with ballots linked via the pages below:

- [Research and Technology Committee -- Four ballots](#)
- [Technical Committee – Two ballots](#)
- [Ratings Committee – One ballot](#)

The changes proposed by the working groups are open for vote and comment through **Thursday, August 27, 2015**.

Downloads of the document ballots and voting will continue being processed through the NFRC community in a survey format. There are instructions online as well a video [tutorial](#).

The NFRC is a membership organization that values the contribution of its diverse membership. By taking part in NFRC's cooperative process involving all stakeholders, you're contributing to the production of technically superior and unified standards that promote and strengthen our industry. You're also boosting consumer confidence in the quality and reliability of the products they find in the marketplace. Thanks in advance for participating in this important process.
