Item 1: Exemption and Extension Requests

Program participants may formally request exemptions or extensions from NFRC Certification Program requirements.

There are 3 types of requests:

1. Six (6) month extension of Certification Authorization
2. Exemption request pertaining to a certification / testing requirement
3. Extension for IG Certification requirement

To request an exemption or extension, please visit the Exemption / Extension Request webpage on the NFRC website: <http://www.nfrc.org/ExemptionRequests.aspx>

Six (6) Month Extension Request - submitted to manufacturer IA

- An NFRC Certification Program participant may request a six-month extension of certification authorization from their designated NFRC Licensed Inspection Agency (IA). This request shall be submitted in accordance with the recertification section within the NFRC 700.

Certification / Testing Exemption request - submitted to manufacturer IA

- A licensee may make requests to NFRC for the grant of an exemption from compliance or for an extension of time to achieve compliance with a specific requirement of the Program Document applicable to that licensee.

IG Certification Extension Request - submitted to NFRC Staff

- A participating fenestration manufacturer may request to receive an extension to meet the requirements for IG Certification.

The webpage contains the proper request forms in Word or PDF format, which can be completed and provided to the appropriate party.
