IHI/NPSF PATIENT SAFETY COALITION

Designed to increase visibility, opportunity, and thought leadership for solutions providers, associations, advocacy groups, and all others sharing an unwavering commitment to health care safety, the IHI/NPSF Patient Safety Coalition welcomes stakeholders from across the continuum of care.

By joining the Coalition, your organization is afforded unique and high-value opportunities for networking, learning, and knowledge sharing, aligning with the highly regarded work and reputation of the Institute for Healthcare Improvement / National Patient Safety Foundation, advancing the patient safety mission, and supporting your strategic business imperatives. Although diverse in perspective and focus, Coalition members have a single convergent goal, a mission-driven kinship, to enhance the delivery of safe care through their work and successes.

Membership offers a variety of benefits and activities, based on the level of engagement selected by your organization. A sampling includes:

- Networking with patient safety visionaries, IHI leadership, and advisors
- Brand alignment with IHI/NPSF and visibility for your support of the patient safety mission
- Visibility to IHI/NPSF stakeholder groups
- Knowledge sharing with health care thought leaders
- Quarterly Coalition Webinars covering a range of pertinent issues
- Annual Member Forum
- Patient safety research resources
- Recognition on IHI/NPSF website

The Institute for Healthcare Improvement and NPSF merged into one organization in May 2017, under the name Institute for Healthcare Improvement (IHI). Together, we are combining our knowledge and resources to focus and energize the patient safety agenda in order to build systems of safety across the continuum of care.
