

NAPSE Instructional Programs

Hershey Track and Field

The Hershey's Track and Field Games program was created over 30 years ago to promote youth physical fitness and provide fun learning experiences for children 9 to 14 years old. Today, it's the largest youth sports program of its kind in the United States and Canada.

Passport to Play

Passport to Play supports student learning as defined in the National Standards for Physical Education and is supported by the United States Olympic Committee (USOC) and the National Association for Sport and Physical Education (NASPE).

Skate in School

Skate in School is the unique in-line skating program for schools developed by NASPE and Rollerblade. The program, which started in 1996, is being used by more than 1000 schools across the country.

Sport in School

NASPE is excited to introduce you to four terrific "Sport-in-School Programs for Physical Education" – golf, lacrosse, tennis, and adventure skills/activities – which you can teach as part of your school's physical education curriculum.
