

2016 OPhA FALL DISTRICT MEETINGS

Your industry expertise makes you an ideal person to attend the 2016 Oklahoma Pharmacists Association (OPhA) District Meeting, coming soon to your area. Our goal is to brainstorm business-friendly recommendations over dinner to deliver to the state legislature next year regarding the unique needs of pharmacists in our state. We want your voice to be heard. OPhA holds annual meetings in each of its districts during the fall. During District Meetings, attendees may hear highlights and valuable industry information from the following:

- OPhA Leadership
- PPOK Leadership
- Southwestern Oklahoma State University College of Pharmacy
- University of Oklahoma College of Pharmacy
- Oklahoma State Board of Pharmacy

OPhA District Meetings provide an opportunity for pharmacists to not only get an update on state and national legislation affecting pharmacy, but to exchange information about the most current challenges facing pharmacy in Oklahoma. Registration will begin at 6:30pm and the Meeting/Dinner will begin promptly at 7:00pm. Pharmacists and pharmacy technicians may earn up to 2.0 contact hours (0.020 CEUs) of Oklahoma State Board approved continuing education credit.

IN ADDITION: OSBP CONTINUING EDUCATION

The Oklahoma State Board of Pharmacy has designated four OPhA District Meeting venues to provide an additional opportunity to obtain 3.0 contact hours (0.03 CEUs) of continuing education on:
Pharmacy Law Update—2016 and What Pharmacists Should Know about Tech Training
 This CE will be from 3-6pm and is free of charge to all attendees. Light refreshments will be served.

**Seated is limited therefore you will need to register separately for this event.
 Following the meeting join us for the OPhA District Meeting.
