

From Policy to Practice: OSAP's Interactive Guide to the CDC Guidelines Authors & Acknowledgements

Many people helped in the creation of the OSAP online infection control course. Without their valuable guidance, expertise, and time, this course would not have been developed. OSAP would like to thank and acknowledge the following individuals and organizations:

Authors

Helene Bednarsh RDH MPH

Director of the HIV Dental Ombudsperson Program, Boston Public Health Commission. In 1974 she received a B.S. and a Certificate in Dental Hygiene from the University of Michigan and was awarded Outstanding Dental Hygiene Alumni in September 1998 and the 2007 Distinguished Service Award from the University of Michigan Dental School. Ms. Bednarsh received a Masters in Public Health from the University of Texas, Health Sciences Center at Houston. She is Vice President of HIVDENT.

Kathy Eklund RDH MHP

Director of Infection Control and Occupational Health, and Research Subject and Patient Safety Advocate at the Forsyth Institute in Boston, Massachusetts. She is an adjunct associate professor at the Massachusetts College of Pharmacy and Health Sciences, Forsyth School of Dental Hygiene, where she teaches senior level courses in oral health research.

Mary Beth Kinney EdD MPH RDH

A consultant who has over 45 years of experience as a dental professional. She has a doctoral degree in Education Leadership from Portland State University, a Masters in Public Health from the University of Texas Health Science Center in Houston, Texas, and a certificate in dental hygiene from Marquette University. She worked as a clinical hygienist in family, pedodontic, and periodontal practices. She has been involved with the education of dental professionals as an Assistant Professor at the University of Texas Health Science Center Dental School at San Antonio, educational specialist at the Centers for Disease Control, and the Director of Continuing Dental Education for the Indian Health Service.
