We hope you will make plans now to attend the 18th Annual Conference of the Physician Assistants in Orthopaedic Surgery (PAOS). As the Chairman, I’m excited to bring the conference to my hometown of Baltimore! This year’s meeting will be held at the Hilton-Baltimore, August 21st – 25th. The Hilton-Baltimore overlooks Camden Yards and is nestled in the middle of Inner Harbor. It’s in walking distance to all that Baltimore has to offer, to include the National Aquarium, Fort McHenry, Horseshoe Casino, Power Plant, Little Italy, and all the Sports Complexes. We are planning social events that will show you all that the town has to offer!

Baltimore is a city rich with culture, history, athletics, and has continually been an epicenter of research and development for medicine and Orthopaedics. Our committee has worked diligently to recruit quality speakers from well-known institutions such as Johns Hopkins, Baltimore Shock Trauma, and other orthopaedic groups supporting the professional and college athletic programs.

With our conference’s proven reputation and quality education, we hope you will join us for what is expected to be another memorable event. I look forward to showing you my hometown and providing you another educational and entertaining CME Conference. We’ll see you in Baltimore!!!

Benjamin K. Kocher, D.Sc., PA-C
Chairman, Continuing Medical Education
LOCATION
HILTON-BALTIMORE | HOUSING BLOCK OPEN
A special discounted room block has been arranged at the Hilton Baltimore.

Room Block Rates: $155 for either a single or double room, plus applicable state and local taxes.

Space is limited at the group rate. Please make your room reservations early. The cut-off date for reserving rooms in the Room Block is July 20, 2017, or until the Room Block is full.

Rates will be available 3 days prior and 3 days after the Event Dates, subject to availability at the time of reservation.

The Hilton Baltimore
401 West Pratt Street
Baltimore MD 21201

Among the top Baltimore hotels, the Hilton Baltimore is ideally set in the Inner Harbor, an iconic seaport area of restaurants, museums, sports complexes, nightclubs and historic ships. A quick walk to Camden Yards, M&T Stadium, the National Aquarium, Maryland Science Center and Pier Six Pavilion (plus so much more).

Location
• a quick 15 minutes to BWI Airport
• a 2-minute walk to Camden Yards
• walking distance to Inner Harbor dining, shopping and attractions

ACCOMMODATIONS
Guest room amenities at the Hilton Baltimore include the Hilton Serenity CollectionTM bedding with Suite Dreams® plush-top mattress, down duvet and pillows. Each room is equipped with large plasma high-definition televisions and on-demand entertainment, and sizeable work stations with ergonomic desk chair.

ACCREDITATION STATEMENT
This program is provided by Physician Assistants in Orthopaedic Surgery. This program was planned in accordance with AAPA’s CME Standards for Live Programs and Commercial Support of Live Programs.

This CME activity has been reviewed and is approved for a maximum of **35 AAPA Category I CME credits** by the Physician Assistant Review Panel. Physician Assistants should claim only the credit commensurate with the extent of their participation in the activity. The program was planned in accordance with AAPA’s CME standards.

Physician Assistants in Orthopaedic Surgery (BOC AP# P3287) is approved by the Board of Certification, Inc. to provide continuing education for Certified Athletic Trainers. This program is eligible for a maximum of **24 Category A hours/CEUs**. ATs should claim only those hours actually spent in the education program.
TARGET AUDIENCE
The primary target audience of the Physician Assistants in Orthopaedic Surgery Annual Meeting is members and non-members who desire to improve their orthopaedic knowledge and skills.

OVERALL LEARNING OBJECTIVES
Upon completion of the activity, participants will be able to:
1. Examine and apply basic scientific information and technical skills in orthopaedic surgery
2. Update knowledge regarding current evaluation and treatment of commonly encountered orthopaedic conditions
3. Review current practice management including proper coding, reimbursement, and state/national healthcare legislation updates
4. Develop new clinical and technical skills to improve delivery of healthcare to patients seen in an orthopaedic practice

FACULTY DISCLOSURE
The American Academy of Physician Assistants (AAPA) has implemented a process to identify and resolve conflicts of interest that may exist which might affect the independence and fair balance of an educational activity. All planning committee members, authors and speakers were required to disclose relevant financial relationships with any commercial interest providing support for this program. Potential conflicts of interest were resolved and documented by one or more of the following methods: 1) Altering the individual’s financial relationships, 2) Altering the individual’s control over content; or 3) Conducting an independent validation of the individual’s presentation content. Individuals who refused to or otherwise failed to disclose potential conflicts of interest to the AAPA were disqualified from participation in planning or implementing this CME activity.

KEYNOTE SPEAKERS

JAMES R. FICKE, M.D.
Director, Department of Orthopaedic Surgery
Johns Hopkins University

Dr. James Ficke is a Robert A. Robinson Professor of Orthopaedic Surgery at the Johns Hopkins School of Medicine and Director of the Department of Orthopaedic Surgery. He is also the Orthopaedist-in-Chief of The Johns Hopkins Hospital. He is nationally renowned as an expert on the treatment of complex foot and ankle patients, lower extremity trauma patients and amputees. Dr. Ficke has received numerous awards for his skills as a surgeon and educator as well as two dozen military decorations and awards including the Bronze Star and Meritorious Service Medals.

ANDREW J. COSGAREA, M.D.
Chief, Division of Sports Medicine
Head Team Physician
Johns Hopkins University

Dr. Cosgarea serves as the head team physician for the Johns Hopkins University Department of Athletics and chief of the Division of Sports Medicine at the Johns Hopkins School of Medicine.

NEIL P. SHETH, M.D.
Assistant Professor of Orthopaedic Surgery
University of Pennsylvania

Dr. Neil Sheth currently serves as an Assistant Professor of Orthopaedic Surgery at the Hospital of the University of Pennsylvania. Dr. Sheth obtained his medical degree at Albany Medical College of Union University. He completed his orthopaedic surgery residency at the Hospital of the University of Pennsylvania and then completed his fellowship at Rush University Medical Center. His clinical expertise is in joint replacement for the hip and knee.

BENJAMIN M. PETRE, M.D.
Assistant Team Physician
Baltimore Orioles,
US Ski Team and US Snowboard Team

Dr. Ben Petre is an fellowship trained orthopedic surgeon who specializes in sports medicine and arthroscopic surgery of the hip, knee, elbow and shoulder. He proudly to serves as the Head Team Physician to the Bowie Baysox minor league baseball team and Annapolis High School. Additionally, he is an assistant team physician for the Baltimore Orioles, US Ski Team and US Snowboard team. Dr. Petre has had more than 15 peer-reviewed scientific manuscripts, was selected by the OTA as the teaching resident of the year, and has published a textbook on orthopedic injuries, emergencies and treatments.

DEREK PAPP, M.D.
Team Physician
Baltimore Orioles

Dr. Derek Papp currently serves as a team physician for the Baltimore Orioles and is the head team physician for their minor league affiliate, the Aberdeen Ironbirds. He currently serves as an orthopaedic sports medicine physician at MedStar Good Samaritan Hospital in Baltimore, Maryland. He also has a part-time appointment at the Johns Hopkins Hospital where he enjoys teaching residents. His clinical interests include all types of arthroscopic surgery, shoulder and elbow disorders, and knee ligamentous injuries. Dr. Papp has gained experience as a team physician at all levels including the Tampa Bay Buccaneers, Florida Buccaneers, Johns Hopkins Lacrosse, and the Florida International University of Athletics.

CRAIG H. BENNETT, M.D.
Chief, Sports Medicine Program
University of Maryland Medical Center

Dr. Craig Bennett is the Chief of the Sports Medicine Program and an assistant professor of orthopaedics at the University of Maryland Medical Center. Dr. Bennett is also the team orthopaedic surgeon for the University of Maryland Terrapins.

AMAN DHAWAN, M.D.
Associate Team Physician
AHL Hershey Bears and Harrisburg Senators

Dr. Aman Dhawan graduated from Albany Medical College in 1999. He completed his Orthopaedic Surgery Residency at Walter Reed Army Medical Center and then a Sports Medicine and Shoulder Surgery Fellowship at Rush University Medical Center.

He was an active duty officer in the U.S. Army for 11 years including deployment to Iraq during Operation Iraqi Freedom in 2006. He is board certified by the American Board of Orthopaedic Surgery and is currently an Associate Professor in the Department of Orthopaedics and Rehabilitation at Penn State. He is an Associate Team Physician for the AHL Hershey Bears and the Double A Harrisburg Senators baseball team, as well as several other area colleges and high schools. He has special interest in shoulder injuries including labral tears and impingement.

ATTIRE
PAOS Conference attire for attendees is business casual. As a reminder, the meeting rooms tend to run cold, so you may want to bring a sweater.

AVERAGE TEMPERATURE
High – 85°/Low 71°

PARKING AT THE HILTON BALTIMORE
Self parking: $30.00 (per night)
Valet: $43.00 (per night)

WILL THERE BE INTERNET ACCESS IN THE CONFERENCE BALLROOM?
There will be internet access in the conference ballroom. However, due to high demand, access may be slow. It is highly suggested that you download conference app and presentations prior to arriving.

WILL THERE BE A PRINTED SYLLABUS?
THERE WILL BE NO PRINTED SYLLABUS AVAILABLE – ALL INFORMATION WILL BE ON THE EVENT APP
All syllabus information will be made available to attendees one week prior to the conference on the mobile event app. You will be able to print the handouts as desired or load them onto your mobile device. They will be provided in PDF format. Please look for an email from cme@paos.org one week prior to the conference with instructions for accessing the Event App.

HOW DO I PRINT MY CERTIFICATE?
You will be able to view/print/email your CME certificates at the close of the conference. You will also be able to log your CME directly with the NCCPA via the NCCCPA.net website. Instructions will be provided on the Event App.

CAN I SIGN UP FOR WORKSHOPS/MINISESSIONS ONSITE?
Workshops and Minisessions are filled on a first come/first served basis and will fill quickly. Although most optional sessions are filled through the registration process, some spots occasionally open up at the last minute and may be available onsite, but are not guaranteed. We strongly recommend registering for the optional sessions with your initial registration.
