United States <House of Representatives/Senate>
<Office Building>
Washington, D.C. 20515

Dear Senator/Representative:

On behalf of the physicians, nurses, administrators and other staff who proudly serve patients in our community here at <hospital name>, we invite you to visit our facility this summer to learn first-hand about the high-quality, low-cost care we provide to patients <in our area/specific region or city>. We would also like to discuss ongoing efforts in Congress to allow physician owned hospitals such as <hospital name> to be able to grow in programs and services to the community. Currently, such growth is specifically prohibited by the Patient Protection and Affordable Care Act. This poses a serious risk to patients – particularly those who are on Medicare and Medicaid – who look to physician-owned hospitals such as ours for high quality healthcare in a safe and personalized setting.

<Insert a paragraph with specific details about your hospital>

We want to demonstrate first-hand how we serve our community and for you to have the opportunity to meet our doctors, nurses, and patients who hold us in high regard because of the quality, personalized care we provide. We will follow up with your District Office staff in the next few days to schedule a day and time for you to visit us this summer. In the meantime, if you or your staff have any questions, please feel free to call me at >>>>>>.

Sincerely,
