### What our members say?

Thank you PIHRA Pasadena for providing human resources professionals with a fabulous annual HRCI educational opportunity. The prepaid pass is a breeze as well as a significant cost savings. I slide into the meetings with ease, unencumbered by check writing, ready to network and LEARN. PIHRA Pasadena HRCI educational program keeps me sharp and on my toes.

My professional success depends on continuous HR strategic improvement. What a value!

One of my UCLA professors recommended I look into a membership with PIHRA Pasadena, and that's how I became involved. As a career changer, I can speak to the terrific support and guidance I've received from many human capital professionals. In addition, Pasadena's HRCI education content is topical, useful, and a great value.

PIHRA Pasadena meetings provide me with a great local networking support group. The group is very dynamic, enthusiastic and well-educated on HR practices, which is extremely helpful for me as an HR Generalist.
