Learn from
Tech Experts!

Join us for an exciting and informative presentation from **Melissa Ellis**, VP/CFO and co-owner of **Systems Management Enterprises, Inc. (SME)**, a Virginia based Information Technology and Security Company. This presentation will include various topics to demystify the cyber threats we face and breakdown the overwhelming topic that is Cybercrime. Some of the topics include: Information Security and YOUR business, Best Practices, Threats, Password Cracking, Internal Threats, Layers of Security, What YOU can do, and Cyber Vulnerability Exercises. Melissa is a 17 year veteran of the industry and has specifically worked with agents and settlement services companies clients on their compliance initiatives and provided security awareness training to better secure your business by implementing necessary layers of protection to safeguard your data.

Ellen Oliveto has been an analyst with the **Federal Bureau of Investigation** for over 20 years. She is currently detailed to the **Internet Crime Complaint Center** where she specializes in cyber enabled fraud.

Bring your staff to educate them on the information security, their role in information security, and the ongoing risks that each company faces in regards to information security.
