

HONOR SOCIETY
— STRENGTH & HONOR —

HonorSociety.org is a leading honor society that helps members maximize their potential in academics, leadership and community service. Having a vibrant, open and inclusive community is essential to HonorSociety.org. Our benefits allow members to connect with people to help them achieve their goals.

- **Scholarships:** HonorSociety.org offers multi-level scholarships for different ranges of academic and community achievement
- **Exclusive Discounts:** We have best-in-class benefits to help members succeed including discounts on health plans, dining, textbooks and recreational activities.
- **University Chapters:** We are creating roots with on-campus chapters to foster smaller, local communities focused on building a vibrant academic group of high achievers on campuses across the United States.
- **Career Tools:** We offer priority admissions, internships through Dream Careers and Zappos, job search tools, and Vault Career Insider access.
- **Member Trips:** HonorSociety.org member trips allow members from around the nation to come together, network, have fun and make memories.
