

The Affiliated Societies Program

The Board of the Register of Professional Archaeologists approved an affiliated societies program for the Register at the January, 2015 Board meeting. That program would be open to state level archaeological professional councils, state archaeological societies, and regional, national, and international archaeological societies. The basic requirements for becoming an affiliated society will be for the society to embrace the Register's Code of Conduct and Standards of Research Performance as their own statement on ethics, and payment of an annual fee to the Register that is based on the size of their membership. The following fees will apply:

Societies with 1-250 members, \$100 per year.

Societies with 251-499 members, \$250 per year

Societies with 500 or more members, \$500 per year.

Members of affiliated societies who are not affiliated with one of the four supporting societies (Society for Historical Archaeology, Society for American Archaeology, American Anthropological Association, or the Archaeological Institute of America) will be eligible for an annual registration fee of \$75. That is a \$50 savings over the normal unaffiliated fee.

When a society becomes affiliated with the Register in 2017, all society members who are applying for the first time and meet the registration requirements of the Register of Professional Archaeologists, are eligible for the annual registration fee of \$75. All society members who are already registered as unaffiliated registrants will be able to take advantage of the \$75 annual fee in 2018.

To become an affiliated society, please send a copy of a board resolution that your society will embrace the Register Code of Conduct and Standards of Research Performance, a copy of your bylaws, and a list of your officers and members. Those documents will be forwarded to the Register of Professional Archaeologist's Registrar for action.
