Social Security Timing® is the patented software used by thousands of advisors to analyze their clients' Social Security benefits and find the strategy that is right for each client's individual circumstances. The software program quickly compares hundreds of possible Social Security timing and election strategy combinations and finds the option that offers the highest lifetime benefit. Advisors who use the software help their clients with one of the biggest decisions about retirement – when to claim their Social Security benefits. As a member of Society of FSP, save 20% with coupon code SFSP15. Please contact Social Security at 1.877.844.7213 or sales@socialsecuritytiming.com.

Quickly and easily illustrate what taxpayers think about how they're taxed is quite different from reality. Our tool will help you turn prospects to clients with a customized "tax map" report that, in less than five minutes, illustrates how non-taxable income may become taxable. You'll be able to show how tax credits or deductions may be phased out at higher incomes and illustrate various income and tax scenarios. Try Tax Clarity™ software for free for 10 days and with no obligation. (No credit card required.) For more information call LaRae at 1.877.844.7213 or email Sales@TaxClarity.com. Also visit <http://www.taxclarity.com/>.
