

Welcome to TNP's CE Center!

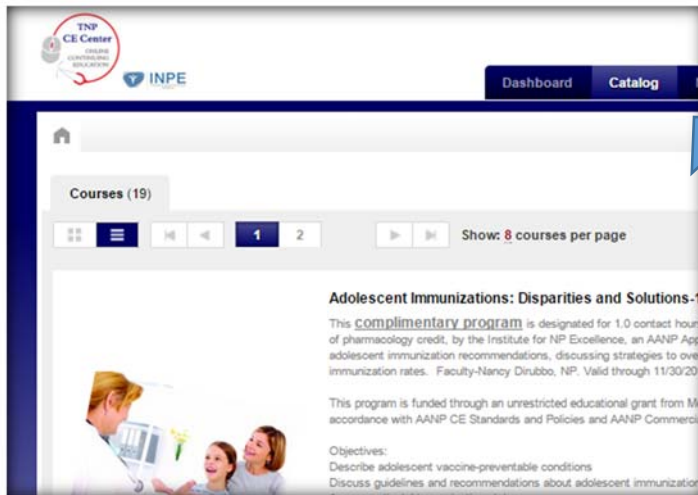

TNP has partnered with the INPE to bring our members online CE 24/7.

While the CE Center is user-friendly, this document will help you get started.

A screenshot of the TNP CE Center login page. At the top left is the TNP CE Center logo, and at the top right is the INPE logo. Below the logos are two input fields: "Email" and "Password". Under the "Email" field is a "Login" button with a lock icon, and under the "Password" field is a "New Account" button with a person icon. Below these buttons is a link that says "I forgot my password". Below the login area is a "WELCOME" section with the text "Welcome to TNP's new CE Center". A red box contains the following text: "TNP has added online CE as a new member benefit, in partnership with INPE. To get started, create an account and then browse the library of online programs. All programs are provided by INPE, an AANP-Approved Provider, at special rates for TNP members. Visit TNP's website for updates and information about live conferences." A blue arrow points from the right side of the page towards the "New Account" button.

1--On your first visit to the TNP CE Center you will be asked to create a new account.

In later visits, just log-in.

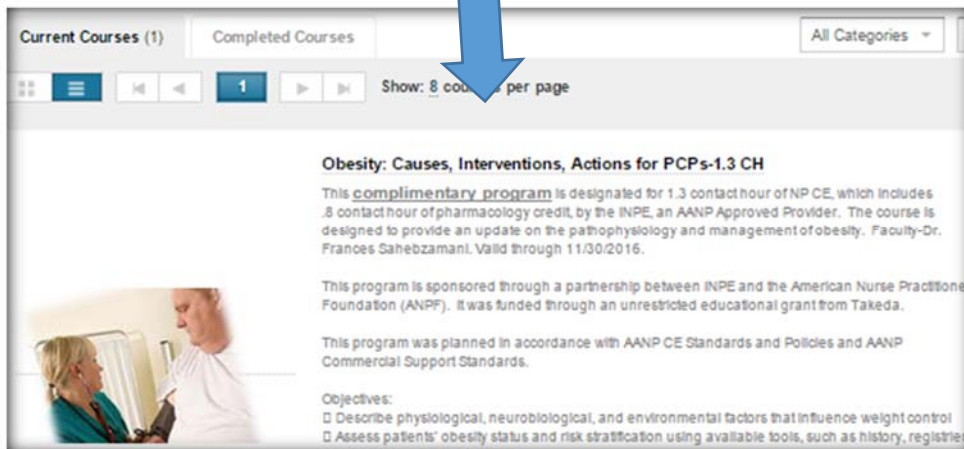

2--Once you create an account or sign-in, select the Catalog tab to review the available courses.

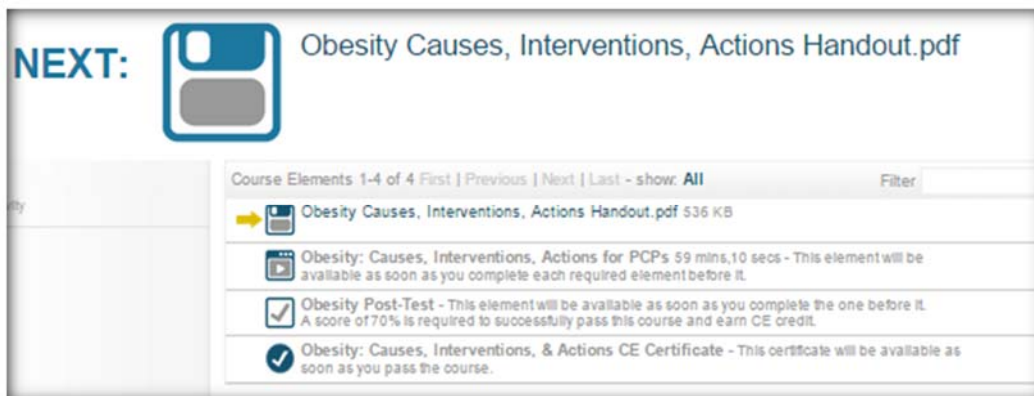

3--Each course description includes the CE credit, objectives, faculty, and cost. Two of the courses are free and the others are discounted. Find the course that meets your needs.
