This seminar, led by Delee Fromm who is a lawyer, psychologist and author of *Advance Your Legal Career: Essential Skills for Success*, will focus on “gendered habits”. Those habits that minimize authority, reduce presence and cause many women to completely avoid self-promotion. Four specific skills areas will be highlighted in this seminar - self-promotion, building brand, networking and executive presence. Come learn how to make your value visible!

Join TLA for an evening event with Delee Fromm to hear about important skills for career advancement. She will also discuss personal factors in skill development such as personality, generation and gender, and provide tips specifically on career management.
