

Billiards with the Bar: Chalk One up Against Hunger

On behalf of the hosts of this event – Neuberger & Partners LLP, Hull & Hull LLP, Toronto Lawyers Association and The Law Society Foundation - we invite you to come out and support the Toronto Lawyers Feed the Hungry Program.

As you may know, feeding people in need is the goal of the Toronto Lawyers Feed the Hungry program, which is funded by the Law Society Foundation (charitable registration no. 11924 1719 RR0001). The program launched in 1998 by providing meals once a week. Today, the program serves meals four times a week. Each month, the Toronto Lawyers Feed the Hungry Program provides over 3,500 meals through the Osgoode Hall cafeteria. The cost to run the program, which provides approximately 45,000 meals a year, is almost \$350,000 annually. Please join us to support this worthy cause!
