

Search Tips For Our Volunteer Opportunity Database

1) Search By Category

- a. The best way to search is by Category. You can search by Category for a particular field that interests you.
- b. Category also allows you to search for opportunities that allow particular groups to volunteer for example youth, families or court-ordered volunteer
- c. To select multiple category options hold the CTRL key while clicking several categories

2) Search By Keyword

- a. If you are interested in a very particular position, you are welcome to search by key word. Key word will greatly narrow your results

3) Search By City

- a. If you want to volunteer in a particular part of the city, use the "City" field. The most searchable areas are Toronto, Etobicoke, Scarborough, North York and East York.

4) Search By Organization

If you want to volunteer with a particular organization, enter their name next to "Organization." Please note it must be spelled properly. If there are no search results, we recommend you Google the organization, find their website, and contact them directly to see if they are looking for volunteers. Not all non-profits in Toronto subscribe to our services.

5) Search By Type of Position

- a. If you want to volunteer for a certain length of commitment you can click your preference in the drop-down box.

6) Create a Profile

- a. In order to easily connect with organizations, post your resume and subscribe to your search preferences.

Please Note:

- If you are looking to volunteer with a hospital (for example, Mount Sinai, Princess Margaret, or the Women's College Hospital), we suggest you go to their individual websites.
- If you are looking for volunteer opportunities outside the GTA, go to the [Ontario Volunteer Centre Network](#) website to find your local volunteer centre. Volunteer Toronto only services organizations in the GTA.
