

Lloyd Johnson, WIHCL's founder and executive director, is the former publisher and community leader of *InsideCounsel* magazine. Starting in 2009, he teamed up with *InsideCounsel* to create a successful set of groundbreaking programs related to talent development, collectively known as the Women Influence & Power in the Law Network. Johnson has drawn on that experience, as well as on 30 years as an attorney, a publisher, and the founder of the Minority Corporate Counsel, to create WIHCL's unique set of integrated programs.
