

Crista Harwood - Chief Administrative Officer

Crista Harwood leads the organization's legal and contracting functions with its business partners and thousands of clients across the U.S. Before joining Passport, Crista practiced corporate finance law with Nashville firm Waller Lansden Dortch & Davis. She has experience representing both borrowers and lenders in corporate financial transactions and is well versed in private equity financing and mergers and acquisitions.

Prior to becoming an attorney, Crista worked as a financial analyst at General Motors Corporation and as an industrial engineer at Ford Motor Company. She earned a law degree from Vanderbilt University, an MBA from Michigan State University and a Bachelor of Science degree in Industrial Engineering from Kettering University, Flint, Mich.
