Principal Consultant, Owner

Summary of Experience

- Providing financial planning, analysis and accounting services to public and private companies for more than 12 years, Stephanie's blend of industry, Big 4 audit, and management consulting experience enables her to take on a wide range of projects across a breadth of industries. A results-driven problem solver, Stephanie is a trusted consultant for some of the country's top finance and accounting organizations.
- Stephanie's most recent projects include partnering with the CFO of a \$700 million company to develop a global discretionary bonus program and facilitating the filing of Form 1-A under the revised Regulation A for one of the first companies qualified by the SEC to raise up to \$20 million.
- Stephanie has experience with the IPO process, facilitating Road Show presentations, reviewing and preparing the Form S-1 and translating internal tools and resources to a public lens.
- Stephanie has worked closely with the executive leadership teams of medium and large companies, as well as entrepreneurs and startups, to create strategic models for short and long-term plans, department-level budgets and management reporting packages. A change agent for organizations, Stephanie has successfully developed and implemented key initiatives to help companies and entrepreneurs achieve their goals.
- Stephanie also has extensive experience in forecasting and budgeting, SEC financial reporting, management reporting, financial modeling, transactional support, project management and pre-audit support.
