

Build the skills to successfully raise funds and write grants for worthy projects and organizations.

Courses are taught by professionals with real world experience, and will give you a comprehensive look at all aspects of the funding field. Geared for those working at nonprofits, those who aspire to do so, Board members, and volunteers who support nonprofits in raising support.

Every student registered in a PCC Institute class will receive ***3 free months of membership*** with WVDO, beginning on the class start date. Students will be given a code in class to use to register.
