PRESENTER INFORMATION

What will the format of my panel be like?

The AATSP website has detailed guidelines for presenters, moderators, and organizers. For information, please see the [2018 Call for Proposals and Descriptions](#) page.

What audio-visual equipment will be available in the conference session rooms?

- **Data Projector and Screen.** The AATSP will provide a data projector and screen in each conference meeting room where presentations take place; there is no cost to presenters for this equipment.
- **Computers.** Each presenter is responsible for providing his/her own computer for the presentation.
- **HDMI Adapter.** In order to connect the newer thin tablet laptops to a data projector or other standard input, users must bring an HDMI or mini-HDMI Adapter with them for use during the presentation.
- **Apple Computer Users.** In order to connect an Apple computer to a data projector, users must bring the Mini Display Port to VGA Adapter to connect to a standard input. Adapters will not be provided or available at the conference.
- **Internet Access.** The AATSP will provide complimentary internet access in each conference meeting room.
- **Some AV Equipment not available.** The following equipment is not available for use during the conference: overhead projectors, slide projectors, CD or video players, computer speakers, cables, or adapters.

I am in a combined session. How can I get in touch with other presenters of my session?

- Before the conference, you may wish to contact the other member(s) of your session and agree to meet before your session.
- Once you are at the conference, you can ask the AATSP staff at the Registration Desk if that person has checked in at the conference.
- You may also want to call the hotel operator on one of the house phones and ask for his or her room.

How are proposals selected for the program?

The AATSP uses a Program Selection Committee to read and rate the proposals submitted for the annual conference. The Program Selection Committee is composed of AATSP members who represent various educational levels, the Spanish and Portuguese languages, and areas of expertise including literature, linguistics/applied linguistics, film, and cultural studies. The Committee members rate the proposals based on the following five criteria:

- The topic is relevant to the intended audience.
- The session content is innovative and useful.
- The session content is based on up-to-date research in the field.
- The benefits to the participants in the session are clearly defined.
- The proposal is clearly written and the description is ready to be published in the conference program.
