The President, however, shall have no vote in the Council except in cases where a tie vote exists. A Comptroller, appointed by the President with the approval of the Council, shall be an ex officio member of the Council, hence he or she shall not have voting rights in matters decided by the Council.

Section 2. The method of election of the Council and its duties shall be stated in the Bylaws.

Section 3. All elected and appointed members of committees shall be ex-officio members of the Council, but they shall not have voting rights in matters decided by the Council.

Section 4. The general management and business of the Academy shall be vested in the Council.
Article VII

Election of Officers

Section 1. The President, President-Elect, and Secretary-Treasurer shall be Fellows elected by written ballot by a majority of the Fellows voting. Each officer shall serve for two (2) years. The immediate Past-President shall also serve as a Council member for two (2) years.

a. A Comptroller, a Fellow, shall be appointed by the President, with approval by an affirmative vote of at least a simple majority of the Council, for an indefinite term. He or she shall also serve as an ex officio member of the Council, without voting rights by virtue of this being an appointed rather than an elected position.

Section 2. Six (6) Councilors shall be elected by a majority of the Fellows voting. Their term of office shall be three (3) years after an initial programming which shall provide for the election of two (2) members for a term of one (1) year, two (2) members for a term of two (2) years, and two (2) members for a term of three (3) years.

Section 3. Nominations for all offices shall be made by a committee of three (3) Fellows designated by the President. Additional nominations may be made on the ballot or from the floor by any Fellow in good standing as provided below in Section 4. Should vacancies in any office occur, the Council shall appoint a Fellow to fill that office for the unexpired term.

Section 4. The procedure for election by written ballot is as follows:

a. At least ninety (90) days before the Annual Business meeting of the Academy, the Nomination Committee appointed by the President shall present to the Secretary-Treasurer the names of at least two (2) candidates for each of the offices to be filled at the ensuing election.
b. The Secretary-Treasurer shall prepare a ballot listing the nominated candidates for each office in random order and with provisions for one (1) write-in candidate for each office to be filled. The ballot shall be distributed to all voting members (Fellows) at least forty five (45) days before the Annual Business meeting. Distribution of the ballot may be either by electronic communication or by other means, depending on the members’ stated preference.

c. The voting member (Fellow) shall convey his or her completed ballot to the Secretary-Treasurer, electronically or by other means, no later than fifteen (15) days before the Annual Business meeting in order to be valid. Voting members are responsible for providing postage if they choose to return ballot via the U.S. mail.

d. The Secretary-Treasurer shall ordinarily tabulate the returns and announce the official results to the membership at the Annual Business meeting unless he or she has been nominated as a candidate for office, in which case tabulation will be performed by an impartial member, not on the ballot, appointed by the President. In the event of a tie, the election will be decided by a written vote of the voting members (Fellows) present at the Annual Meeting. If a quorum of members (Fellows) is not present at the Annual Meeting, then the vote will be broken by a written vote of the Council. Candidates for this written vote of Council shall be limited to those nominees in a voting tie based on the written balloting.

e. In the event that last minute changes occur or the withdrawal of nominees becomes necessary, these shall affect the balloting results only if the changes involve election winners. Should such occur, then the Nomination Committee shall propose a new candidate to replace the person withdrawn and the Secretary-Treasurer shall conduct another written ballot by the voting membership (Fellows).

f. It shall be the responsibility of the Secretary-Treasurer to assure that all members with voting privileges (Fellows) have the opportunity to vote, and that only those with voting rights (Fellows) cast valid ballots. To this end, alterations in the procedure relating to distribution and verification of ballots may be made at the discretion of the Secretary-Treasurer.
g. All ballots shall be preserved for not less than fifteen (15) days after the Annual Business meeting or special election, after which time they will be destroyed and right of any party to request a recount shall be forfeited.

h. In the case of a special election authorized by the Council, the same basic procedures for conducting a written ballot as those outlined above for general elections shall be followed.
