ADED reserves the right to change a course date, location or instructor.

All complaints relative to the seminar content, instructor presentation, class facilities and registration procedures are to be directed to the ADED executive office: ADED, 200 First Avenue NW, Suite 505, Hickory, NC 28601.
Leah Belle
OTR/L, CDI, CDRS

Leah Belle is an Occupational Therapist and Certified Driver Rehabilitation Specialist (CDRS). She has 27 years of rehabilitation experience, with 14 of those years devoted specifically to driver rehabilitation. Leah is an active member of the Georgia / South Carolina Chapter of ADED and served as Chapter President for several years. She is also active on a national level in ADED, having served as a committee member in developing the Fundamentals of Driver Rehabilitation Course as well as a member of the Research and News Brake Committees. For the past six years, Leah has been involved in research concerning older drivers as a member of a collaborative team that includes Roger C. Peace Rehabilitation Hospital and Clemson University.

Jenny Nordine
OTR/L, CDRS

Jenny Nordine’s strong leadership abilities have guided her private practice, Driving to Independence, to success since 2000. With five employees, her company now provides driver assessment and training for all of Arizona and New Mexico. Ms. Nordine is experienced with low-tech to high-tech driving assessment and training, vehicle assessment, as well as fundraising and organization of community outreach for persons with disabilities. She is well known and admired by her staff and community. Jenny’s education and experience in Occupational Therapy supports a strong desire to provide the ultimate level of independence. Jenny has been involved with the Association for Driver Rehabilitation Specialists (ADED) since 2001, attending annual conferences and sitting as Education Chair in 2010. She has sat on a number of other boards including the Arizona Brain Injury Alliance and the Arizona State Rehabilitation Council. Jenny has presented at multiple conferences on Adaptive Driving and Leading a Successful Private Practice including for ADED, National Mobility Equipment Dealers Association and the Arizona Occupational Therapy Association. Jenny is a Past-President of ADED.
