NMEDA.com

**APPROVED PROVIDER of
CONTINUING EDUCATION**

by The American Occupational
Therapy Association, Inc.

This introductory continuing education course contains a range of topics pertaining to personal automotive mobility solutions. It will assist the allied health care practitioner in understanding and advocating for individuals seeking automotive vehicle modification solutions, while also teaching practitioners about the unique process involved in evaluating, selecting and purchasing appropriate automotive options.

For course outline, instructor credentials and other information visit: <http://www.nmeda-camshp.org/>

Please remember to bring picture ID with you to training

Drivers License or Government Issued ID will be accepted
