

## **AESP CHICAGO CHAPTER QUARTERLY MEETING MINUTES**

August 31, 2016

Submitted by Jim Armstrong, Chapter Secretary

### **SUMMARY**

---

A combined audience of 83 AESP Energy Professionals were in attendance for Third Annual Summer Rooftop Party.

### **SPONSORS**

---

A special thanks to the sponsors for the event: CB&I, CLEARresult, DNV-GL, EnergySavvy, SEEL, and Willdan.

### **SPEAKERS**

---

Jamie Peters, AESP Chicago President and EnergySavvy Director of Client Solutions welcomed the group and thanked the event sponsors and her fellow board members. Jamie encouraged everyone to mingle and have a good time; this event was focused on networking and building our community of energy professionals in Chicago. All of us need to work together to make the clean energy revolution a reality! Next, Michael Volker, AESP Board President and Corn Belt Energy VP of Utility Services, pictured below, spoke to the audience about the importance and progress of energy efficiency in Chicagoland and provided the latest AESP updates, including highlighting the success of the recent Summer Conference in Chicago.
