

# Welcome (Back) to AFLV!

- **First. Check Out the Join Page – you can find it under Get Involved in the header menu. There you will find information on membership and access to the login page.**

AFLV has a dynamic offering of programs and resources for student leaders and professionals. Membership is the key to starting/continuing your AFLV experience!

- **Before you Renew/Join**

If you no longer know your login credentials, you may use the Forgot Password feature or contact Kyle Moyer at [kyle@aflv.org](mailto:kyle@aflv.org). It is important to note that your institution has one account where all aspects of AFLV can be controlled.

- **Your University Account**

Your University has one account where you will select which councils and additional membership options you want for your community. You, as the fraternity/sorority professional, are responsible for all AFLV purchases through the University portal.

When you first log in to your University account, you will be prompted to renew your memberships, add new ones, as well as update your contact information.

## How to Join or Renew

### New Member?

Select New Membership

Your Organization must be your College/University (full name).

Set your username as AFLV(College/University).  
For Example Cyprus Rhodes University would be: AFLVCRU

### Renewing Member?

Login using the information received in the email and follow the "renew your membership now link"

## Your Membership Options

### Council Membership

Select the Councils that you would like to be members of AFLV.

Each purchased Council will receive individual accounts for council officers (or other students) to access the online community. More information on accessing the Online Community will be available in January.

If you select 3 councils, you receive a \$75 discount. Use promo code: 3Council-Discount17.

If you select 4+ councils, you receive a \$150 discount. Use promo code: 4Council-Discount17.

### Chapter Membership

Select the number of chapters you would like to have become members of AFLV.

Each Chapter will receive individual accounts for chapter officers (or other students) to access the online community. More information on accessing the Online Community will be available in January.

If you select 5+ chapters, you receive a \$75 discount. Use promo code: 5+Chapters-Discount17.

### New Fraternal Values Society Charter

You have the ability to purchase a charter for the Fraternal Values Society during registration. FVS charters can also be purchased throughout the year by contacting the Director of Chapter Services.

Individual FVS membership will be handled through the same process you are used to, once your University's account is updated.

## So What's in the Form?

### **Account Information – this is the information about you and your account**

Email Address = Email Address for the Primary Fraternity & Sorority Professional

Organization Contact = Primary Fraternity & Sorority Professional

### **University Information – this is the information about your university**
