

WHAT CAN JOINING **aitp** DO FOR **YOUR CAREER?**

The IT industry is growing, and key indicators show a recovery from the 2008 financial crisis:

Budgets are up

65%

of IT departments anticipate increased budgets in 2014

Exciting new IT fields are growing every day, and skilled professionals are in high demand

IT is now a major sector of *all* industries

BIG DATA
CLOUD STORAGE SECURITY
BIG DATA SYSTEM ARCHITECTURE ENTERPRISE RESOURCE PLANNING
MOBILE DEVELOPMENT
CLOUD STORAGE
SYSTEM SECURITY ARCHITECTURE
MOBILE DEVELOPMENT

55%

of senior IT leaders will hire more staff in 2014

90%

of senior IT leaders increasing staff salary in 2014

BUT

it's getting harder to get noticed, let alone land your next interview:

6 seconds

Average time a recruiter spends reading your resume

250

Average number of job applications submitted for an open position

18

Average weeks spent searching for a job

80%

of jobs are never advertised

Professional connections and a **strong network** are essential for finding your next job.

aitp = your forum to build lifelong relationships in the IT community.
