Alpha Chi Rho Expands Chapter Support; Now Hiring Three Positions Including Crow Coaches

NEPTUNE, New Jersey – Alpha Chi Rho announced its Crow Coaches program, along with job openings for two other positions today. The Fraternity is hiring recent graduates as Leadership Consultants, experienced graduate brothers as part-time Crow Coaches (regional consultants), and is seeking undergraduate brothers for summer and semester internship positions.

Crow Coaches

The time to mentor, to lead, *and to coach Alpha Chi Rho members is now*. The Crow Coaches program – a brand new initiative from the Fraternity – is seeking savvy Alpha Chi Rho graduate brothers to serve as consultants to our chapter leaders as Crow builds its future right now. We are interviewing candidates who are astute, caring, in touch with technology, and willing to engage with today’s student leaders through curiosity, challenge, and a coaching approach. Will you consider helping our great fraternity cultivate more men of word and deed?

Work from home through virtual communications with undergraduate leaders as well as minimal paid travel on an as-needed basis. Stipend provided based on scope of work and hours devoted to each project. Orientation and scope of work provided by the National organization.

The goal of the Crow Coaches program is simple: Grow Crow. We know that with you serving as trusted mentors for our members, their ability to attract more high quality men into Alpha Chi Rho chapters across the country will increase exponentially. Alpha Chi Rho has partnered with industry growth experts to provide orientation and guidance to Crow Coaches starting right away. Alpha Chi Rho needs your support today.

Leadership Consultants

Recent graduates are being considered for full-time leadership consultant positions. Based in Neptune, New Jersey at the National Headquarters, these positions manage Chapter operations, provide recruitment and programming support and provide leadership to the resident Chapters. Lodging is provided at the headquarters. This position is 60% travel, with expenses paid by the Fraternity.

Summer and Semester Internships

Undergraduate members and graduate students are being sought for summer and semester internship opportunities. Interns may be eligible for course credit and a stipend based on experience and performance. More information available upon request.
