## 2012 ACA Excursion Proposal

### **Our Company Background:**

Out-Island Explorers is a family owned and operated company located on beautiful Great Exuma in the Bahamas. The company was known as *Starfish, The Exuma Adventure Center* from 1999-2008 when it changed ownership and its name. Dallas Knowles of Nassau, Bahamas and Tamara Knowles of Alabama, USA are the owners. Dallas does all the guiding in the Cays. Having grown up in The Bahamas and spending much of his life in the Exuma Cays, Dallas is very adept at fishing and camping and knows much of the local history and facts. Tamara maintains the website and handles the emailing and reservation side of the company including booking hotels, answering direct questions about excursions and planning everything before a trip starts. Out-Island Explorers currently offers 4 different kayaking excursions, 2 sailing expeditions, and a trip that does both. O.I.E. is the lone source for all things camping in the Exumas, offering kayaks and sailboats for rent, camping gear, and expert knowledge of the area.
