Camping 'Suites'

Well-spaced along a gravel trail between the parking area and the river, the campsites at North Santiam are set in cozy clearings in the woods. They are perfect for families or boaters and anglers staying overnight on river trips. Each site has a picnic table and a fire ring. All are available on a first-come, first-served basis.

Camping Rates

Rates are subject to change. You can get up-to-date information by calling 1-800-551-6949 or visiting www.oregonstateparks.org.

Picnicking Pleasures

Enjoy a picnic any time of year in the grassy open field next to the Santiam picnic shelter. Two other picnic sites have views of the river; they are easily accessible via paved or hard-surface gravel paths off the River Loop Trail.

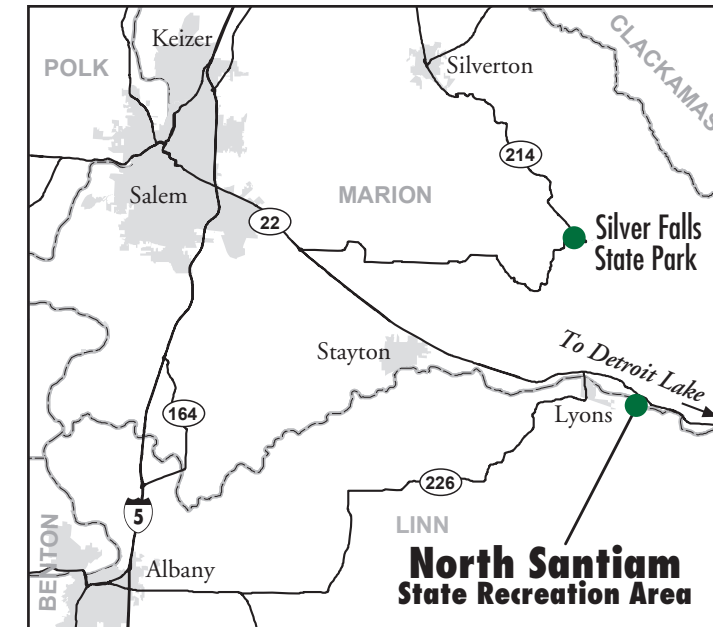

Loop Trails

The park's network of trails has both long and short loops. The longest loop is a 1.3-mile trail around the park boundary that features both river and forest scenery. This perimeter loop connects with shorter trails, including the Anderson Loop. Circling beneath towering trees with moss-draped limbs, this 1/2-mile trail is an "enchanted forest" perfect for families with young hikers.

Nearby Recreation

Fisherman's Bend, 2.5 miles upstream, and the Little North Santiam Recreation Area, four miles west of North Santiam, are riverside areas managed by the Bureau of Land Management.

The Detroit Lake recreation area, with a state park and U.S. Forest Service facilities, is located 15 miles east.
