

Leading a Lifetime of Service

AmeriCorps Alums is the only national network convening the alumni of all AmeriCorps national service programs. Since 2005, AmeriCorps Alums has been an enterprise of Points of Light dedicated to building a community of experienced volunteer leaders committed to a lifetime of service. Alums are encouraged to fully realize their potential by building connections and engaging with others to create transformational change in their communities. Since 1994, more than 775,000 Americans have served in AmeriCorps.

CONVENE Alumni in Local Chapters

We have over 60 chapters committed to making impact by building civic networks, serving in the community, engaging and ascending as community leader, and being local voices advocating for national service

LEAD in National Professional and Leadership Development

We provide monthly webinars which range from skill building content to inspiration from national authors, engaging at times over 200 live participants. Webinar topics are relevant to the service experiences and career aspirations of our members.

SUPPORT Life After AmeriCorps with Member Benefits

We offer a monthly career newsletter, sponsored by an education institution that will match the Segal education award or an employer looking to hire alums for their skill set gained from AmeriCorps service.

ELEVATE Alumni as Advocates

We use our social media voice to lift the inspiring voices and stories of our Alums. Their testimonies are used in writing local letters to media editors and with campaigns of national partners in support of service.
