

## Alumni Webpace: Online Presence for your AmeriCorps Program

Without an online presence, communicating with your alumni base can be a very difficult task. AmeriCorps Alums will customize your own unique webpace that will serve as a central convening point for all of your current and future alumni.

Through [www.AmeriCorpsAlums.org](http://www.AmeriCorpsAlums.org), individual AmeriCorps programs can:

- Create a unique **internet community** for alumni activities
- Track alumni **contact and demographic information** via a frequently-updated database
- Link **calendar events** and **latest news** to your webpace
- Facilitate and moderate **blogs**
- Add and **link related pages** to your program homepage
- Utilize the **bulk e-mail system** for mass communication

**Format:** Online webpages and alumni database

**Audience:** State Service Commissions and AmeriCorps Programs

**Costs:** Varies, based upon number of alumni in the program

**Contact:** Greg Heinrich – [gheinrich@handsonnetwork.org](mailto:gheinrich@handsonnetwork.org)

*"AmeriCorps Alums has helped us to develop a strong web presence, and without that presence our statewide network of alumni chapters could not have progressed as fast as it has."*

*- Ericka Zdenek  
Volunteer Florida*
