

Workshop: Making the Most of Your Segal Education Award

Accessing the educational resources earned during a year of AmeriCorps service can be a confusing process. This **multi-media workshop demystifies the Segal Education Award** through an interactive quiz, online tutorial, and practical examples of how the funds might be used.

Workshop participants will gain:

- A clearer understanding of the **basic guidelines** for utilizing their Education Award;
- First-hand experience with the **online education award system** to check the balance in their trust account, disburse funds to financial institutions for student loans, and pay for current educational expenses; and
- Links to schools that **match the education award, grant scholarships, or give academic credit** for national service experiences.

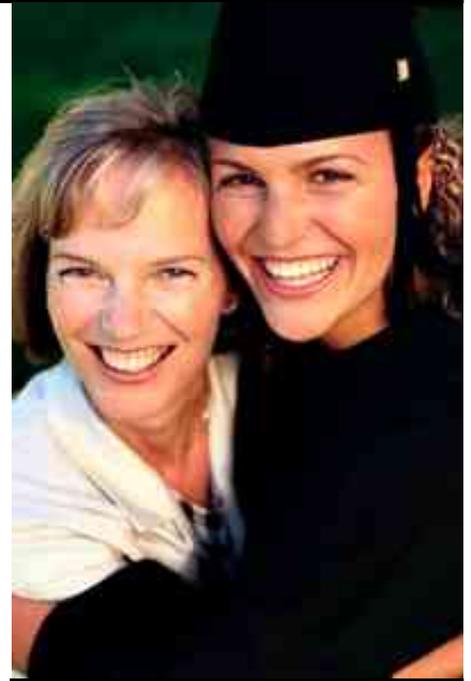

Format: Multimedia Workshop with Online Tutorial

Audience: Current AmeriCorps Members

Time Requirement: 45 to 90 minutes

Room Set-up: LCD Projector and screen

Venues: state service conferences, national direct program trainings, local AmeriCorps program member development workshops

“Seeing how easy it is to use the online system really helped. I felt inspired to apply to graduate school and use my Education Award.”
