American Nurses Association Massachusetts President Diane Hanley expresses deep sadness regarding the stabbing of the nurse at Harrington Hospital, sends her thoughts and prayers for health and healing for the nurse and peace for all of the Harrington Hospital employees.

MILTON, Mass. (June 15, 2017) – [ANA Massachusetts](#), the state affiliate of the American Nurses Association, announced today their deep sadness regarding the stabbing of the Nurse at Harrington Memorial Hospital. “We must all come together as a nursing community in this troubling time of workplace violence” said Diane Hanley, President of the American Nurses Association Massachusetts. “Our thoughts and prayers are with the nurse, her family and all of the Harrington Hospital employees”. It is times like these that highlight the need for tougher guidelines and consistent workplace violence plans to be in place.

About ANA Massachusetts

[ANA Massachusetts](#) is committed to the advancement of the nursing profession and of quality patient care across the Commonwealth. As a constituent member of the American Nurses Association, ANA Massachusetts is recognized as the voice of registered nursing in Massachusetts through advocacy, education, leadership, and practice.
