Core Purpose

The purpose of NNSDO is to foster the art and science of nursing staff development, promote the image and professional status of nursing staff development, encourage and support nursing research and application of research findings in practice, and provide a platform for nurses engaged in staff development practice to discuss issues and make decisions related to the continuing evolution of the field of nursing staff development.

NNSDO provides a forum for members to further define staff development practice and discuss conceptual and technical aspects of practice. NNSDO provides staff development services for its members through the dissemination of information, meetings, conferences, consultation, mentoring, and other formats.

NNSDO Core Values

- Integrity
- Respect for Diversity
- Advocacy for Lifelong Learning
- Transparency
- Reliability

Members Receive

- TrendLines (6 issues)
- Journal for Nurses in Staff Development (NNSDO’s official journal, 6 issues)
- Discounted attendance at NNSDO’s Annual Convention
- Discounts on NNSDO products and services, such as:
  - Core Curriculum for Staff Development
  - Getting Started in Staff Development
  - Certification Preparation Courses
  - In addition to the above, NNSDO produces new books and products of interest to staff development educators every year.
- Mentorship through the NNSDO Resource Network
- Discounts on certification examination and recertification fees through the American Nurses Credentialing Center

Benefits of Membership . . .
