

Professional Instructional Resources Grant

Description: This grant is aimed at deferring the costs of instructional resources and classroom supplies for teachers. A+PEL realizes that an increasing number of classroom expenses, which were once covered by school, district, or state funds, are being personally paid for by teachers.

Deadline: November 15th

Eligibility/Guidelines:

- The application must contain both a proposal summary and a projected budget.
- A+PEL membership is not a requirement, but preference will be given to members.
- The applicant agrees that receipts are required for reimbursement and agree to submit them to the A+PEL office within 30 days of being notified of being the recipient in order to be reimbursed for expenses related to the grant.
- If selected, the applicant will be available to receive this award publically at a faculty meeting, school board meeting, or A+PEL conference. The venue will ultimately be determined by the representative giving the award and such aspects as convenience for the recipient, permission of the school/district, and the number of individuals awarded in a district will be taken into account.
- The applicant must conform to standard rules of grammar in their application. Applications lacking in basic grammar will be disqualified regardless of other merits.
- Applicants can be awarded only one A+PEL award within a 365 day time period. This rule has been established to provide for additional opportunities amongst our growing member base.

Amount: This grant has an upper limit of 500 dollars.
