

ASPPB MOBILITY PROGRAM IPC OVERVIEW

Interjurisdictional Practice Certificate (IPC) Info

The IPC promotes standardization in criteria for short-term practice and interjurisdictional mobility by facilitating the process for licensed psychologists to provide short-term psychological services across jurisdictional lines without obtaining an additional license. The IPC also provides more consistent regulation of interjurisdictional practice and allows consumers of psychological services to benefit from regulated interjurisdictional practice. The IPC allows psychologists to provide temporary psychological services in jurisdictions that accept the IPC for at least 30 work days per year without obtaining full licensure in that jurisdiction with proper notification.

Applying for the IPC

Application for the IPC can be made through the ASPPB Mobility Program. Eligibility requirements can be found on Page 2. Please make sure to read the ASPPB Mobility Program Policies and Procedures for a comprehensive look at the Mobility Program and certificate requirements.

Renewing the IPC

- Renew annually by submission of the established fee and documentation of a current active license in an ASPPB member jurisdiction.
- Failure to renew by the renewal deadline will cause the certificate to expire. The certificate holder may not practice under the certificate while it is expired.
