*The ATHE conference is considered a media event; as such, ATHE reserves the right to publish without individuals' permission (both electronically and in print) and to disseminate to media, photos and video taken by ATHE's photographers during conference programming. When feasible, captions for photos will be provided with their publication and dissemination.*

### STAGESTRUCK

*The Business of Theatre in Eighteenth-Century France and Its Colonies*

LAUREN R. CLAY

“This magnificently researched and ambitious work, which never loses sight of the human factor and the glamour of the stage, provides a compelling framework for understanding the cultural marketplace in which theater operated in late eighteenth-century France and its colonies.”

—COLIN JONES, AUTHOR OF *THE GREAT NATION*

“By reorienting our focus from Paris to the provinces and beyond, and from crown sponsorship to commercial enterprises, Lauren R. Clay suddenly and dramatically expands the way we use theater to understand the evolving political culture and political economy of pre-Revolutionary France. *Stagestruck* will be a revelation for scholars in many fields.”

—JEFFREY S. RAVEL, MIT, AUTHOR OF *THE CONTESTED PARTERRE*

\$49.95 cloth
