

ACE 2017 ADD-ON EDUCATION – LEADERSHIP SESSION

“WRANGLE, WRESTLE, AND ROPE UP THE POTENTIAL IN YOUR PEOPLE WITH THE VIBRANT COACHING TOOLBOX”

THURSDAY, OCTOBER 12, 2017 – 1PM – 6PM

\$99.00 PER PERSON

Presenter: Nicole Greer, Vibrant Coaching

With the responsibilities of roping, riding, and wrangling the marketplace, Cowboy's and Cowgirl's must lead A VIBRANT LIFE pulsating with energy and purpose.

Every ranch hand is responsible for identifying and delivering his/her talents to the organization. The S.H.I.N.E. Coaching Methodology™ is a master plan for goal setting through harnessing strategies, systems, and smarts. This program aims to release individual's talents though learning and applying coaching technique.

The Vibrant Coaching Toolbox is an interactive, up and moving around session...Yeehaw!

Attendees will learn to coach others to do Self-Assessment, take a hard look at Habits in the work place, explore what it really means to be in Integrity, learn to coach others to create Next Right Steps, and increase your team's Energy.

Nicole will share stories, testimonials and real-time examples of how The S.H.I.N.E. Coaching Methodology™ can change a person's life and the organizations he/she serves. Your attendees lead at work, at home and back at the ranch. They need a structure to support their lives as they continue to support their organization's future. Integrated into these stories are proven, time-tested, and smart actionable strategies everyone can use.

RUSTLE UP IDEAS TO...

- Coach your peers, direct reports, and even coach UP in your organization.
- “Read” your fellow associates.
- Be and Active Listener

- Ask “Powerful Questions,” the ultimate coaching tool.
- Lasso unconscious tendencies and replace them with powerful productivity habits.
- Become Cowboy or Cowgirl of integrity, whole and contributing in a powerful way.
- Navigate The Learning Curve
- Establish Proper Mental Models,
- And Develop a Growth Mindset.

Coaching is for the professional who knows he/she can influence others but feels limited by cultural challenges. The S.H.I.N.E. Coaching Methodology™ identifies the obstacles that hold individuals back and gives attendees the strategies, systems and smarts to overcome those obstacles.

Understanding and seeking growth in these key areas allows participants to see their potential, positive influence in the work environment. The aim is to provide each team member a fresh perspective on moving the organization forward with coaching technique. Coaching opens up mental models, increases communication, and creates an environment full of willingness.

An environment full of willingness is one that has serious vision. When willingness is brought to how we impact others with our own behavior, there is serious creativity. When willingness is brought to our individual and organizational habits, there is serious productivity. When willingness is brought to the integrity of our communication, there is serious innovation. When willingness, is brought to our next right steps, there is serious leadership. When willingness, is brought to our energy, there is serious progress.
