

Honor Your Fellow Lawyer Endowment Fund

Is there a lawyer that has inspired you? Been a mentor? A great referral source? A constant friend? Wouldn't you like to let the rest of us know? Or, would you like to keep alive the memory of an attorney who is no longer with us? For a \$40 (or more) contribution to the Endowment, you can honor a fellow lawyer and pay forward some of the good that you got from that person. The honoree, as well as the person submitting the donation, will be recognized in our Bar newsletter.

The Bar Foundation Endowment Committee's key mission is MAKING POSITIVE CHANGE IN OUR LOCAL COMMUNITY. The Endowment Committee makes significant contributions to the Drug Court program and partners with the Montgomery County Special Olympics. Through volunteering at sporting events and raising money via the Inspiration Walk, we have supported the dreams and efforts of these inspiring athletes. There have been other one time grants over the past few years to very worthy non-profit groups.

We can only keep up - and expand - this good work if we keep the Endowment funded.

Let's recognize and raise up each other, with the effect of raising up others in our community.
