

YOUR LEGACY BEGINS WITH A SIMPLE GIFT TO THE BMW MOA FOUNDATION

A gift through your personal will as a charitable bequest is by far the most popular method of planned giving and is typically fully deductible for estate tax purposes. A bequest can be prepared at any time, whether you include it when planning your will or add it later by codicil. Bequests can be of any dollar amount you choose, a percentage of your estate, or as a residual – whatever is left after the other gifts you have named.

The BMW Motorcycle Owners of America Foundation is dedicated to improving rider safety, and supporting motorcycling and its rich heritage. The MOA Legacy Giving program has been established to advance rider, safety, education and training, the GEARS training program, the Paul B scholarship program, and to establish and maintain a motorcycle museum to preserve our rich heritage.

Choose a gift plan below that will support the work of the BMW MOA Foundation in the future. If you already have a will, contact Foundation staff for a sample codicil that can be completed at any time to include a gift to the Foundation.
