MEMBERSHIP OFFERS:

Quarterly Trainings

Included with membership are four annual training opportunities hosted by different member jurisdictions throughout Colorado. These trainings are focused on topics relevant to code enforcement and are adapted to meet current trends and needs such as:

- Foreclosures and Evictions
- Drug Lab Recognition
- Dealing with Difficult People in the Field/Office
- Hoarding
- Marijuana Requirements and Impacts

Officer Safety Day

Annually, CACEO offers a day of training devoted to integrating safety into a code enforcement officer's daily duties. Training focuses on all aspects of a code officer's life including physical safety, emotional, and psychological health.

Topics include:

- Surviving Critical Incidents
- Application of Techniques through Scenarios
- Developing Safety Protocols

Certification

Certification courses provide standardized quality instruction and testing for code enforcement. Officers achieve greater credibility and integrity by receiving uniform core skills and knowledge. This three day course teaches officers necessary skills to perform their duties with confidence. Certification is maintained by earning continuing education credits.

CACEO Certification Courses set the standard for Colorado's Code Enforcement professionals by providing quality instruction and testing criteria.

Basic Certification Classes Include:

- Legal Aspects of Code Enforcement
- Report Writing
- Courtroom Testimony and Procedures

Advanced Certification Classes Include:

- Mediation Skills
- Situational Leadership
- Ethics

Networking

Code Enforcement can be challenging work. With over 200 members, CACEO offers great opportunities to meet people who perform comparable duties and face similar issues, providing a strong network of experienced code officers to assist in the resolution of issues more quickly and efficiently.

Members will also benefit from:

- Community Forum to Share Information
- Access to Job Postings
- Social Connections on Facebook / Google +
- Special Events

Working together to improve the quality of life
in communities across Colorado.
