

**Kathleen Stillwell, MPA/HSA, RN, CPHRM**

**Patient Safety/Risk Management Account Executive, The Doctors Company**

Kathleen Stillwell earned Master's Degrees in Public Administration and Health Services Administration. She is a registered nurse and a Certified Professional Health Care Risk Manager. Ms. Stillwell has served as faculty for the American Society for Healthcare Risk Management and is published in the American Hospital Society Risk Management Handbook for Healthcare Organizations. She has held numerous leadership positions with national and state risk management and quality organizations, including past Chair of the American Society for Quality (ASQ), Healthcare Division, Board Member for ASQ, and as adjunct faculty for Woodbury University and the University of San Francisco. She currently serves on the Advisory Board of King International, Inc., and is an active Charter Member of the Business Renaissance Institute.

Ms. Stillwell is a nationally recognized expert in health care risk management with over 30 years of experience in clinical risk management, professional liability claims management, compliance, and high-risk underwriting. Her expertise includes hospital and health care administration, physician practice management, health benefits management, and health care regulatory compliance.
