Be inspired - inspire others.

Join women who share a passion for leadership. Be inspired by their journey and what inspired them to take risks and find success.

Leadership Development

Participate in targeted leadership development activities focused on giving you a better understanding of the unique attributes you bring as a women leader.

Leverage Shared Experiences

Thought speakers, table discussions, network opportunities and personal assessments, women are provided numerous opportunities to learn from the experiences of others.

Immediate Return on your Investment

Take home new insights, tools and solutions from experts; develop trusted relationships; become part of a network of women leaders throughout California.

Unplug - Get Inspired!

California Women Lead provides a safe and trusted environment. Getting out of the office to focus on YOU and YOUR leadership journey lets you tackle new Session topics include:

- Getting It Done- Women Leading in Business, Community and Life
- All Politics is Local
- Diversity, Inclusion and the Future of Women In STEM
- How to get appointed to a state board or commission
