## ABOUT CBMTG

The Canadian Blood and Marrow Transplant Group (CBMTG) is a national, voluntary, and multi-disciplinary organization providing leadership and promoting excellence in patient care, research, and education in the field of BMT.

CBMTG's vision is that Canada will be the best place in the world to have a blood and marrow transplant, and our mission is to be the voice of experts working in the field of blood and marrow transplant.

The CBMTG values: excellence, innovation, integrity, collaboration, and professionalism in care, education, and research in blood and marrow transplant. CBMTG believes that every patient has a right of equal access to the highest quality of life saving care that can be provided by blood and marrow transplant professionals in Canada.

**Based on this, our strategic priorities are as follows:**

### 👉 **Education**

Provide high quality educational programs that advance the practice of blood and marrow transplantation in Canada.

### 👉 **Research**

Establish and organize an effective and sustainable research infrastructure for translational and clinical research.

### 👉 **Outreach**

Increase the visibility and influence of CBMTG among members and the public.

### 👉 **Financial Capacity**

Support, education, research, and outreach initiatives through fundraising, partnerships, and the establishment of a charitable organization.

### 👉 **CBMTG Membership:**

The CBMTG membership is made up of national and international physicians, nurses, laboratory technicians, pharmacists, and coordinators working in blood and marrow transplant.
