

Dear School District Representative:

CASE is offering a special registration incentive. If you guarantee to bring at least 40 administrators or 50% of your total district administrative team to the **48th Annual CASE Convention** all those on your team registering for the Convention will receive the current CASE member registration rate, allowing a significant savings of \$340 per attendee!

| Full Convention July 26-28, 2017 | Early Bird Registration through June 14 | Regular Registration June 15 through July 10 |
|---|--|---|
| Non-member Rate | \$735 | \$775 |
| Member Rate | \$395 | \$435 |
| Savings | \$340 | \$340 |

Administrative positions include superintendents, assistant superintendents, principals, assistant principals and central support services managers in the following departments: finance and budget, transportation, curriculum development, facilities services, technology infrastructure, technology education, employee relations, etc.

Please complete, sign and return this form to Leisa via email to: lsacry@co-case.org or via fax: 303.762.8697, and Leisa will follow up with a confirmation and directions on how to provide further information for attendees. Forms submitted by June 14, 2017 will allow teams to take advantage of the early-bird registration rates.

Regretfully, we cannot guarantee space for administrative teams beyond June 14, 2017 due to high registration demand. We encourage you to submit your form as early as possible.

District personnel who are 2016-17 CASE members and took advantage of early registration should still be included on the form and will count towards the 40 administrators/50% of your district administrative team requirement.

Registration Guarantee Form

As the representative for the _____ School District, I guarantee that at least 40 administrators or 50% of our total district administrative team will register for the **48th Annual CASE Convention**. I understand that as an incentive for this commitment, each of our district administrators who register will receive the current CASE member registration rate regardless of their CASE membership status.

Please note: This guarantee does not include any Pre-Convention workshops on Monday and Tuesday, July 24-25, 2017.
