ADMINISTRATIVE NOTES REGARDING CGOA CHAPTER AFFILIATION

- 1) Note that payment of affiliation fees is considered by CGOA to be a fee paid by the chapter and not an individual – therefore an individual does not “own” the chapter.

- 2) Any chapter whose contact person(s) fails to return communication with its members and/or CGOA for a period of one month may be deactivated by CGOA (which includes removal from any listings of chapters by CGOA and discontinued communication from CGOA).

- 3) CGOA will send a notice to the prior chapter contact whenever possible if an update to the chapter record is made to reflect new chapter contacts.

- 4) To help avoid confusion, chapters should not have “CGOA” in their chapter name.
